18/19U

This team will play roughly 30-40 games including league post-season play. This team will not do travel tournaments, with the exception of one local tourney. The season will run from the last week in May through the last weekend in July. In 8 weeks, the team will average 4-5 games per week with an occasional practice. This team will compete in the ODL League based out of VA, as well as the newly founded DC League. This team will be comprised mostly of graduating seniors and college freshmen 19U league eligible. All players on this team are college players or will be playing in college next fall. Of course, there are exceptions to this standard and we do not eliminate or ensure a roster spot for prospects based on this description.

Roster size: 16 players

17U ODL

This team will play roughly 35-40 games including 2-3 tournaments. The season will run from the last week in May through the final week in July. In 8 weeks, the team will average 4-5 games per week with an occasional practice. This team will compete in the NVTBL ODL division, as well as the newly founded 18U DC Summer League. This team will be comprised of mostly rising seniors with very few if any rising juniors. The make-up of this team will consist of good to strong varsity caliber players.

Roster size: 16-18 players

15/16U

This team will play roughly 30 games including 2-3 travel tournaments including league post-season play. The season will run from the first week in June through the 3rd week in July. In 7 weeks, the team will average 4-5 games per week. The team will compete in the NVTBL Varsity division as well as in the newly founded DC Summer League 16U division. This is a travel team so the caliber of play is expected to be very competitive. This team will be comprised of mostly rising sophomores and juniors.

Roster size: 16 players

13/14U

This team will play roughly 25 games including 2-3 travel tournaments. The season will run from the first week in June through the 3rd week in July. In 7 weeks, the team will average 3-4 games per week. This team will have a weekly practice, which will be critical in the development and success of the team. The team will be comprised of mostly rising 8th and 9th graders. This is a travel team so the level of play is expected to be competitive.
